Knowledge Assessment:
School, College, and Work

R.E.D.I.
Responsibility. Education. Development. Independence.

This assessment is to be completed by teens and young adults with inflammatory bowel disease (IBD). For each question, please read all the answer choices carefully before choosing the one answer you think is best. If you don't know an answer, leave it blank and move on to the next question. This is not a test. This assessment has been developed to help you understand more about IBD with the help of your healthcare team.

Name: _____

Date: _____

1 Students with IBD can have an Individualized Education Program (IEP) or 504 Accommodation Plan. These tell teachers and the school how to deal with things like:
